Graeme saved Grant's life

Grant

was only two when he was diagnosed with Acute Myeloid Leukemia and his parents learned that his only chance for a cure was a bone marrow transplant. But no one in his family was a match, so his doctors searched the worldwide registry in the hopes of finding someone. Only one week later, Graeme's profile matched and this Gift of Life donor was given the chance to save a life.

Graeme donated bone marrow and Grant received his transplant, and is now a happy and healthy five-year-old. A year later, the pair were introduced at the Steps for Life 5k South Florida. "Someone I've never met gave bone marrow to save my child. Thank you so much!" said Philip, Grant's father.

3 WAYS TO PARTICIPATE

FORM A TEAM

Strength in numbers! Runners and walkers can raise funds and participate as individuals or form a team by asking friends, family and co-workers to join in. Not only is it more fun, it increases awareness of the cause.

SPONSOR EVENT

Companies, local businesses, foundations and individuals can become sponsors and receive benefits and exposure in the local community. Sponsorship is a great way for a company to demonstrate its commitment.

VOLUNTEER

Volunteers are the lifeline of Gift of Life and help us fulfill our mission. Share your talents and be part of the Planning Committee or volunteer for the day of the event. Let us know what interests your organization!

Sponsorship for A CURE

At Gift of Life we believe every person battling blood cancer deserves a second chance at life and we are determined to make it happen.

The Steps for Life 5k is a fun-filled event for the whole family, no matter your level of fitness. Steps for Life brings together communities to help raise awareness of blood cancer. A heroic donor and their recipient will meet for the first time, showing that lives are being saved through your sponsorship and support.

All funds raised at the event are used to underwrite the \$60 laboratory cost associated with adding each new donor to the registry. Steps for Life 5k events have found matches for over 450 patients in need. Gift of Life is a 501(c)(3) and donations are tax-deductible to the extent allowed by law.

GIFT OF LIFE MARROW REGISTRY
RECOGNIZED FOR EXCELLENCE

STATS AT A GLANCE

1 in 200 Americans receive a blood stem cell or marrow transplant in their lifetime.

Every **3 minutes** someone in the US is diagnosed with blood cancer.

1 in 6 patients for whom Gift of Life conducts donor searches are children.

70% of patients do not have a related match and must search the registry.

1 in 130 donors ages 18 to 30 will be called as a match for a patient in need.

Every **\$2K** will facilitate one transplant over time.

1 in 5 donor matches are selected for a transplant.

88% of Gift of Life donors give peripheral blood stem cells from their arm rather than bone marrow.
